## **Policy Statement on Motorized Vehicles and ATVs in Franklin Canyon Park**

Franklin Canyon Park is managed by the Mountains Recreation and Conservation Authority (MRCA). Park rangers employed by the Authority enforce the MRCA Park Ordinance. Section 3.10 subdivision (b) of the Ordinance provides:

Except as authorized by the Executive Officer or the Executive Officer's designee, no person shall operate any off-road vehicle, off-road motorcycle, or all terrain vehicle.

Because of potential conflict with other trail users, damage to resources, and public safety concerns, the Executive Officer of MRCA expressly declines to issue any authorization for any kind of private motorized travel within Franklin Canyon Park except on recognized park roads. Park rangers will enforce the provisions of Ordinance sec. 3.10(b) to the full extent of the law.
